Import of Medopar medicine

3150. SHRI MUNAVVAR HASAN: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether it is fact that the Medopar medicine for treatment of Parkinson disease, is being imported in the country at a very high price;

(b) whether Government have ordered any probe, to ascertain the correct import price; and

(c) whether it is also a fact that the same medicine, in generic form is available in the country at much lower price; if so, what is the justification in importing the same at a high price?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI SUKHDEV SINGH DHINDSA): (a) to (c) Medopar, used in the treatment of Parkinson's disease, is combination of Scheduled bulk drug, namely, Levodopa with non-Scheduled bulk drug Benzerazide. The price of this medicine has been fixed in accordance with the provisions of the Drugs (Prices Control) Order, 1995. To the extent of available information there is no other product with the same composition available in the country. Imports of drugs and pharmaceuticals are made in accordance with the prevailing Exim Policy.
